

Greetings to all Slaughter Beach Residents,

This year the Slaughter Beach Historical Society (SBHS) is once again hosting a fundraising event in the form of a Photo Calendar Contest, with at least 13 winners' photos prominently displayed in our current 2024 calendar. Take out those terrific photos you've shot throughout the year (or have yet to take!) and submit them! Here are the rules for the 2025 calendar contest:

1. Entries must be from residents, homeowners or their visiting friends/family members.
2. All photos must be in digital, high-resolution format and taken in the town of Slaughter Beach. Previously winning photos are not permitted.
3. Photos can be in color or black & white. SBHS reserves the right to crop, revise, or publish photos.
4. Entries can be of architecture, nature, or animals. If people are included it is preferred they are non-identifiable; otherwise a general photo-release waiver must be signed and kept on file.
5. There is a **limit of 3 photo submissions per person** for consideration. Each entrant is limited to the possibility of one winning photo per calendar year.
6. Three anonymous judges will choose the winning entries. Submissions will remain anonymous to the judges. Judges' decisions are final.
7. Winners' photos will have a tagline giving credit. All submitted photos are the property of SBHS.
8. All submissions must be electronic and emailed to photos@SBHistory.org with the name and address of the person submitting the photos clearly identified in the email.
9. Photos must be received between **5/1/24 and 9/06/2024**. Winners will be announced by 10/03/2022. *
10. **Don't miss out - save 10% with a pre-order discount of \$18/calendar until August 15, 2024 (see order form below).***** After August 15 calendars are available for \$20/calendar, while supplies last. If you have any questions, direct them to photos@SBHistory.org.

Thank you for your support! The SB Historical Society
